corruption in the health system for which young Doctors are not willing to govt. services, and hence more than thousands of health institutions are going without Doctors and there is no body to supervise Govt. Welfare measures. OMSA members have vowed "zero tolerance to corruption" and are against to the practice of "awarding Prized Post to Corrupt Members".

3- The Parity in the higher posts (Additional Director & above) with similar state Govt. officers has not been implemented. It should be done immediately and around 360 posts in payband-4 should be created for oms cadre doctors.

4- In a Democratic Country and according to the Constitution of India 19(1)c, OMSA organized a protest 'Mass Rasignation' on 18-04-2010 to settle the above mentioned issues. The authorities took punitive measures against members like one day stoppage of salary, departmental proceeding to break democratic movement. Despite Hon'ble Chief Minister's appeal to withdraw movement, which OMSA heeded to, the members were punished. OMSA resolved to withdraw all such punitive measures against the members to create trust and a congenial atmosphere to work.

5- It is unanimously resolved that, If these demands are not met within 26th Jan, 2014, OMSA members will protest in Gandhian way that is **SATYAGRAHA**, in **Bhubaneswar** and all over Odisha at their Branch Headquarters to realize their long standing demands.
